

# 2021 SHAA All Access Virtual Convention

## ATTENDANCE GRID FOR SLP'S AND AUDIOLOGISTS

Virtual Conference: March 4-14, 2021

Notes:

- ABESPA allows up to 120 minutes of Content Area II to count toward Alabama licensure renewal. Sessions are organized according to Content Area I and II below.
- Starting with the 2020-2022 interval, ASHA now requires one hour of ethics training per three-year interval. ABESPA recommends, but does not require, ethics training.
- ASHA requires every CCC-SLP who supervises or intends to supervise any grad student or CF to accrue two hours of supervision/clinical instruction training once in his or her career.
- All sessions have been pre-recorded for access at your convenience except for the 2 courses denoted below as "LIVE"
- Student track sessions and the live Q&A sessions may be attended by all but are not available for CE credit.
- CE Time must be reported by March 28, 2021 using the information below.
